## Internet Safety

1. **NEVER** give out your mobile or home number.
2. **NEVER** give out your home address or any of your favourite places to go.
3. **NEVER** give out the name of your school.
4. **NEVER** give out your real name (use a nickname).
5. **NEVER** upload a picture that can show where you live or go to school.
6. **NEVER** give out any information about your family or friends.
7. **NEVER** assume that the “15 year old girl who seems nice” is really a nice 15 year old girl, it may be a 40 year old man. Any one could upload some one else’s picture.
8. **NEVER** arrange to meet some one you have never met before.
9. **NEVER** let yourself be drawn into a conversation that makes you feel uncomfortable. If some one starts asking you personal questions you should block them.
